Pistol Registration:

Pistol registration will be conducted during normal business hours at the Sheriffs Department.

Inmate Visitation / Information:

Inmate visitation will be held Monday – Thursday between the hours of 5:30pm and 8:30pm by appointment only.

Immediate family members only will be permitted to visit an inmate.

Visitors must have proper and valid identification. (State drivers license or state identification card.)

No more than three persons can visit an inmate at one time.

No food or drink will be allowed in the facility.

No cellular devices will be allowed in the facility.

All persons who enter the Schoolcraft County Jail for visitation purposes will be subject to search.

Inmate visitation may be refused, or suspended if the orderly running of the facility is in jeopardy.

Schoolcraft County Jail Information:

The Schoolcraft County Jail was constructed in 1957 with an original inmate capacity of 14 beds. In 1995 additions and internal renovations expanded the capacity to 26 inmates.

Currently the Schoolcraft County Jail operates 24 hours a day and houses 26 inmates, both male and female, from Schoolcraft and surrounding counties.

The facilities average daily population is 19 inmates.

The facility currently maintains its own food services and the kitchen staff prepares approximately 20,798 meals annually.

The correctional staff at the Schoolcraft County jail is responsible for the orderly running of day to day operations of the facility.

In addition the Sheriffs Department is the County's secondary 911 answering center.

Deputies also serve as the court ordered and mental health transportation service, transporting inmates and mental health patients all over the state of Michigan.

Sheriffs Road Patrol:

The Sheriffs Department road patrol actively patrols approximately 15,434 annually.

Sheriffs Road Patrol conducts traffic enforcement as well as handles criminal investigations.

If you would like to contact a road patrol deputy, contact the Schoolcraft County Sheriffs Department at (906) 341-2122.

Special Operations Marine/Snowmobile/ATV Patrol:

The Marine Patrol operates from May to September.

Patrol crafts work on the counties inland lakes and rivers as well as the Great Lakes.

Deputies perform law enforcement functions as well as promote safe boating.

Each year the department teaches youth ages 12-15 in the state approved Michigan Safe Boaters Class.

The Sheriffs Marine Division is also called on many search and rescue incidents throughout the year and they maintain an operational ice rescue team for the winter months.

The ATV Patrol operates from April to May each year and works closely with ATV groups to make the counties trails as safe as possible.

Deputies perform law enforcement functions and teach area youth about safe operations of an ATV.

The Snowmobile Patrol operates from December to April and patrols trails across the county.

Like all Sheriffs Department programs it's designed to promote safety.

The program teaches area youth in a snowmobile safety course that's offered annually.

Deputies provide law enforcement functions and work closely with the Department of Natural Resources Conservation Division to make our winter recreation as safe as possible.

If you have any questions about marine, atv, or snowmobile law please contact the Schoolcraft County Sheriffs Department at (906) 341-2122.
