Zoning Permit Application

Applicant name: _____ Phone: _____

Site Address: _____

Email: _____

Mailing Address (if different than site): _____

Proposed land use or structure to be constructed: _____

Tax / Parcel I.D. Number: _____ (must be provided for approval)

Section: _____ Town: N Range: W

Zoning District _____

(completed by Zoning Department)

On page 2 of this application or on a separate sheet, provide an ink site plan drawing that includes the following:

1. Property shape, dimensions, area and intended use. It must be **signed and dated** declaring the applicant as the preparer of the document.
2. Kind, dimensions, height, and location (**including distance from lot lines**) of the CURRENT and PROPOSED improvements and building(s) to be erected, moved or expanded on the property.
3. Sewage disposal and water supply types and locations (**when already existing on property**).
4. Locations of lakes, streams, roads, driveways, and parking areas.
5. Distance of proposed improvement or building from lake and stream shore lines.

Incomplete application or site drawing without this information included, will be not be approved.

The location of every improvement or structure on the parcel, according to the approved submitted site plan, is the responsibility of the applicant.

You will need a Soil Erosion Permit from Schoolcraft County Conservation (906)286-2090, if any of the following exist:

1. If the land area to be excavated will be one acre (43,560 Square Feet) or more in size.
2. If the earth change is within 500 feet from a lake or stream (some county drains may be considered to be streams)

(for more information, see attached information sheet)

Before any construction (including new septic systems**) commences or any issuance of a building permit is granted, an approved Zoning Application must be on file.**
