Re: County Commissioner Position

Dear Ms. Edwards:

I am writing this letter to express my interest in the County Commissioner Seat that recently became available.

I bring with me the experience of 5+ years as the Ontonagon Village President and over a year as the Ontonagon Village Manager. Throughout that period, I sat on various committees including the Economic Development Committee, Planning Commission, Zoning Commission, and the Aspirus Ontonagon Hospital Committee. Through these committees I have worked with various agencies and made contacts across the Upper Peninsula. I also was part of the Ontonagon Volunteer Fire Department.

I look forward to meeting with you to discuss my qualifications further.

Sincerely,

Scott Frazer

Dear Commissioners:

Per your advertisement concerning the Board of Commissioners for District 2, I am hereby stating my interest in the open position.

I feel that as a reasonable and responsible citizen and resident of District 2 in Schoolcraft County, it is my duty to offer my assistance to the running of county government. To that end I offer a few details on where I have made an impact:

- My wife and I have been residents of the county since January, 1997
- I retired from a 44-year career in the Research branch of the USDA Forest Service, in locations ranging from Orono, Maine to East Lansing, Michigan to Rhinelander, Wisconsin
- I am currently employed part-time by Schoolcraft Conservation District where I have served the community with our annual tree sale, and writing grant proposals for scrap tire and electronics recycling. And I currently am the SESC (Soil Erosion and Sedimentation Control) inspector, as the Conservation District is the Chief Enforcing Agency (CEA) for that program in the county
- Since 1986, I have been treasurer of Great Lakes Distance Riding Association, an equestrian group that uses recreational trail systems throughout Michigan
- For 15 years (2008-2022) I served as treasurer of our local U.S. Pony Club, an educational equestrian organization for all ages
- My involvement in our church, where I serve on committees to expand our connection and outreach with the community

If further information is needed, my contact information is listed below. Thank you for considering me for this position.

Sincerely,

Bruce A. Birr

To Whom it may concern -

Pg 1

I am submitting this letter with the Intent of Filling a vacancy in my District. To learn the job and work closely with the other Commissioners of projects and issues that are in our County so that we can better serve our residents and the County at large as well as court new business to come in. I would also like to use all the experience I've learned to better help our Residents and implement them in a commonsense way. I would also like to work toward getting rid of some ordinances so that the people can govern themselves. I know a lot of people on Facebook and I think we could use that to our advantage.

My biggest intent is to hit the ground running and to work on everything I've written down on my list. . . And talking to people about ideas and advice to get it done.
